Everything you've wanted to know about the origins of roleplaying games... *Designers Dragons: The 90s* is a comprehensive picture of the heyday of the RPG industry. This second edition expands the original single book into a series of four, and we've added over 10,000 new words to this volume alone. In this volume, we profile an RPG titan Wizards of the Coast and cover the rise of storytelling RPG settings like *White Wolf's World of Darkness*. Regardless of your gaming background, Shannon Appelc ...
